YASKAWA
License Registration Instruction

1. Download Movicon 11.6 with the following link: https://www.yaskawa.com/movicon
    Once Movicon 11.6 software is installed, it will be ready for limited trial use.

2. To register for unlimited use:
    *   Make sure you have purchased a Movicon HMI License. Upon purchasing a Movicon HMI License, your license number will be emailed to you.
    *   Download the activation tool called "Download 7" with the following link:
        https://www.yaskawa.com/movicon
    *   Unzip and run the Activation tool.*
    *   Enter the registration key and email as required. Shown here:

    *   Click Activate.
    *   Your Movicon software is now activated and ready for unlimited use.

    *Unzip and run on the hard drive of the pc to activate, with internet connection.
